

**IN THE UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF PENNSYLVANIA**

THE CRACKED EGG, LLC,

Plaintiff,

v.

No. 2:20-cv-1434

**COUNTY OF ALLEGHENY, a political
subdivision of the Commonwealth of
Pennsylvania and the ALLEGHENY
COUNTY HEALTH DEPARTMENT,**

Defendants.

COMPLAINT

AND NOW, the Plaintiff, The Cracked Egg, LLC, by and through its attorneys, Robert O Lampl, James R. Cooney, Ryan J. Cooney, Sy O. Lampl, Alexander L. Holmquist, Dennis M. Blackwell and Nicolette A. Blackwell, files the within Complaint:

1. The Plaintiff is The Cracked Egg, LLC, d/b/a the Crack'd Egg (Crack'd Egg), a Pennsylvania Limited Liability Company located at 4131 Brownsville Road, Pittsburgh, PA 15227.
2. The Defendant, County of Allegheny (the County), is a home rule county and political subdivision of the Commonwealth of Pennsylvania.
3. The Defendant, Allegheny County Health Department (the ACHD), is a local health department organized under the Local Health Administration Law.

Jurisdiction and Venue:

4. This Honorable Court has jurisdiction over this proceeding pursuant to *28 U.S.C. Section 1331*.

5. Venue of this action is appropriate in the Western District of Pennsylvania pursuant to *28 U.S.C. Sections 1391 (b) (1) and 1391 (b) (2)*.

Background:

6. The Crack'd Egg operates a family restaurant in the Brentwood Section of the City of Pittsburgh.

7. The Crack'd Egg serves breakfast and lunch and is open from 7:00 AM to 2:00 PM on Monday through Saturday.

8. The Crack'd Egg has been open for business since October 5, 2015 when the ACHD issued a permit for its operation as a restaurant.

The "disaster" declarations:

9. On March 6, 2020, Pennsylvania Governor Tom Wolf issued a Proclamation of Disaster Emergency in response to the COVID-19 pandemic. A true and correct copy of the Proclamation is attached hereto as Exhibit "A."¹

10. The Governor's Proclamation was issued pursuant to the Emergency Management Services Code, *35 Pa.C.S. 7101 et seq.*

11. The Governor's emergency powers under the Code are set forth in *35 Pa.C.S. 7301 (c)*, which provides in relevant part, that:

(c) Declaration of disaster emergency. — A disaster emergency shall be declared by executive order or proclamation of the Governor upon finding that a disaster

¹ The Governor has extended the Disaster Proclamation twice. The Proclamation was first extended on June 3, 2020 and extended for a second time on August 31, 2020. See Exhibits "B" and "C" hereto.

has occurred or that the occurrence or the threat of a disaster is imminent. The state of disaster emergency shall continue until the Governor finds that the threat or danger has passed or the disaster has been dealt with to the extent that emergency conditions no longer exist and terminates the state of disaster emergency by executive order or proclamation, but no state of disaster emergency may continue for longer than 90 days unless renewed by the Governor.

12. In connection with the Governor's Proclamation, on July 1, 2020, the Secretary of the Pennsylvania Department of Health issued an Order "requiring universal face coverings." A true and correct copy of the Order is attached hereto as Exhibit "D."

13. In issuing her Order (Exhibit "D"), the Secretary failed to comply with the mandatory rule making procedure required under the Commonwealth Documents Law (*45 P.S. 1102 et seq.*), the Regulatory Review Act (*71 P.S. 745.1 et seq.*) and the Commonwealth Attorneys Act (*71 P.S. 732-101 et seq.*).

14. On July 16, 2020, Governor Wolf issued an Order "Directing Targeted Mitigation Measures." A true and correct copy of the Order is attached hereto as Exhibit "E."

15. Pursuant to the "Targeted Mitigation Measures," (Exhibit "E"), among other things, restaurants were limited to the lesser of:

- A. 25% of fire code stated maximum occupancy for indoor dining; or
- B. 25 persons including staff.

16. In issuing his Order (Exhibit "E"), the Governor failed to comply with the mandatory rule making procedure required under the Commonwealth

Documents Law (*45 P.S. 1102 et seq.*), the Regulatory Review Act (*71 P.S. 745.1 et seq.*) and the Commonwealth Attorneys Act (*71 P.S. 732-101 et seq.*).

The “closure” Order:

17. On August 11, 2020, the ACHD conducted an inspection of the Crack’d Egg’s restaurant.

18. As the result of its inspection, the ACHD issued a Food Safety Assessment Report. A true and correct copy of the Food Safety Assessment Report is attached hereto as Exhibit “F.”

19. As indicated, the ACHD ordered that the restaurant be closed “for failure to comply with mask or facial covering guidelines.”

20. The Report did not cite any failure of the Crack’d Egg to comply with published rules or regulations, but instead, relied solely upon the Secretary’s Order of July 1, 2020 “requiring universal face coverings.”

21. By its letter dated August 11, 2020, the ACHD suspended the Crack’d Egg’s Health Permit and ordered the Crack’d Egg to close. A true and correct copy of the letter is attached hereto as Exhibit “G.”

22. As indicated, the suspension letter asserts that “An inspection of your facility on 8/11/20 indicates an imminent hazard to public health.”

The state court case:

23. On September 16, 2020, the ACHD filed a Complaint in Civil Action-Equity against the Crack’d Egg.

24. The Complaint was filed in the Court of Common Pleas of Allegheny County at Docket No. GD-20-009809. The Crack'd Egg hereby incorporates the averments of the Complaint herein as if set forth in their entirety.

25. In its Complaint, the ACHD has asserted, among other things, that the Crack'd Egg has:

- A. Failed to comply with mask or facial covering guidelines.
- B. Failed to sufficiently space its outdoor seating.

26. ACHD's Complaint requests:

A. A declaratory judgment declaring that the Crack'd Egg has failed to comply with "control measure orders."

B. An injunction to prevent the Crack'd Egg from operating its business "until a compliance plan is approved by the ACHD."

C. Payment of fines and civil penalties.

27. In connection with its Complaint, the ACHD has also filed an Emergency Motion for Preliminary Injunction.

28. The ACHD did not employ the Sheriff to serve the Complaint and Motion as required by the Pennsylvania Rules of Civil Procedure.

29. Instead, the Complaint and Motion were improperly served by E-mail on Thursday afternoon (September 17, 2020) for an emergency hearing scheduled for Monday morning (September 21, 2020). In fact, the original E-mail failed to identify the subject or contents, but instead, it simply indicated that "A package has been posted for you." See Exhibit "H" hereto.

30. Not knowing what the “package” was, the owners of the Crack’d Egg were afraid to open it. The following day, Counsel for the ACHD sent a second E-mail which identified the “package” as an Emergency Motion. See Exhibit “I” hereto.

31. The Crack’d Egg believes and therefore avers that the failure to effectuate proper service was calculated to allow the ACHD to obtain its requested relief in an *ex parte* manner without any opposition.

32. On September 18, 2020, the Crack’d Egg filed a Notice of Removal to this Honorable Court pursuant to *28 U.S.C. Sections 1331, 1441 and 1446*.

The within case:

33. The Crack’d Egg now files the within case for violation of its civil rights pursuant to *42 U.S.C. 1983*.

34. The ACHD, as an arm of the County (a political subdivision of the Commonwealth of Pennsylvania), was clearly acting under color of state law for purposes of *42 U.S.C. 1983*.

35. The ACHD has violated the Crack’d Egg’s civil rights while acting under color of state law as is more fully set forth below. Among other things:

A. The “orders” which the ACHD has attempted to enforce have no valid basis in law.

B. The Secretary of Health failed to comply with the mandatory rule making procedure required under the Commonwealth Documents Law (*45 P.S. 1102 et seq.*), the Regulatory Review Act (*71 P.S. 745.1 et seq.*) and the Commonwealth Attorneys Act (*71 P.S. 732-101 et seq.*).

C. The Governor failed to comply with the mandatory rule making procedure required under the Commonwealth Documents Law (*45 P.S. 1102 et seq.*), the Regulatory Review Act (*71 P.S. 745.1 et seq.*) and the Commonwealth Attorneys Act (*71 P.S. 732-101 et seq.*).

D. The sole basis for the ACHD's closure Order was the Universal Face Covering Order issued pursuant to the Governor's Emergency Declaration under *35 Pa.C.S. 7301 (c)*. However, the Governor has illegally extended "the emergency" contrary to both federal and state law.

E. The Secretary of Health's Order "requiring universal face coverings" was issued in violation of the separation of powers doctrine.

F. The Governor's Order "Directing Targeted Mitigation Measures" was issued in violation of the separation of powers doctrine.

G. There is no rational or scientific basis for the Order requiring universal face coverings.²

H. There is no rational or scientific basis for the Order "Directing Targeted Mitigation Measures."

I. The ACHD's actions have deprived the Crack'd Egg of due process of law, both procedurally and substantively.

J. The closure order will deprive the owners of the Crack'd Egg of their right to make a living.

K. The ACHD's actions have deprived the Crack'd Egg of equal protection under the law.

² Scientific evidence on the efficacy of face masks is conflicting. For example, Cyril H. Wecht, M.D., J.D., the former Coroner of Allegheny County, has stated that the mandatory mask order is "totally absurd."

L. The ACHD's actions have violated the Crack'd Eggs rights to freedom of speech.³

COUNT 1:

The Orders are not enforceable:

36. The Plaintiff hereby incorporates paragraphs 1 through 35 above as if set forth in their entirety.

37. On July 1, 2020, the Secretary of the Pennsylvania Department of Health issued an Order "requiring universal face coverings." (See Exhibit "D" hereto).

38. In issuing her Order, the Secretary failed to comply with the mandatory rule making procedure required under the Commonwealth Documents Law (*45 P.S. 1102 et seq.*), the Regulatory Review Act (*71 P.S. 745.1 et seq.*) and the Commonwealth Attorneys Act (*71 P.S. 732-101 et seq.*).

39. On July 16, 2020, Governor Wolf issued an Order "Directing Targeted Mitigation Measures." (See Exhibit "E" hereto).

40. In issuing his Order, the Governor failed to comply with the mandatory rule making procedure required under the Commonwealth Documents Law (*45 P.S. 1102 et seq.*), the Regulatory Review Act (*71 P.S. 745.1 et seq.*) and the Commonwealth Attorneys Act (*71 P.S. 732-101 et seq.*).

41. The law is clear that:

The Commonwealth Documents Law, the Regulatory Review Act, and the Commonwealth Attorneys Act establish a mandatory, formal rulemaking procedure that is, with rare exceptions, required for the promulgation of all regulations. See *Germantown*

³ The Crack'd Egg believes that the ACHD's actions have been motivated, at least in part, by the Crack'd Egg's postings on Facebook.

Cab Co. v. Philadelphia Parking Auth., 993 A.2d 933, 937 (Pa. Cmwlth. 2010), *aff'd*, 614 Pa. 133, 36 A.3d 105 (2012). Under the Commonwealth Documents Law, an agency must give notice to the public of its proposed rulemaking and an opportunity for the public to comment. Section 201 of the Commonwealth Documents Law, 45 P.S. § 1201; *Borough of Bedford v. Dept. of Env'tl. Prot.*, 972 A.2d 53 (Pa. Cmwlth. 2009). Under the Regulatory Review Act, the agency must also submit its proposed regulation to IRRC for public comment, recommendation from IRRC, and, ultimately, IRRC's approval or denial of a final-form regulation. Section 5 of the Regulatory Review Act, *as amended*, 71 P.S. § 745.5. The Commonwealth Attorneys Act requires the agency to submit all proposed regulations to the Attorney General and Governor's Office of General Counsel for review of the form and legality. 71 P.S. §§ 732-204(b), -301(10).

Naylor v. Commonwealth, 2012 Pa. Commw. LEXIS 285, 54 A.3d 429, 433-434 (2012). See also, *Northwestern Youth Services v. Dep't of Public Welfare*, 620 Pa. 140, 66 A.3d 301 (2013).

42. In enacting the Orders at issue in the present case, both the Governor and the Secretary of Health wholly failed to comply with these requirements.

43. Such failure clearly causes the Orders to be unenforceable as a matter of law. See, *Germantown Cab Co. v. Philadelphia Parking Authority*, 614 Pa. 133, 36 A.3d 105 (2012) and cases cited therein.

COUNT 2:

The Defendants (and the Governor)

have improperly extended the "emergency powers":

44. The Plaintiff hereby incorporates paragraphs 1 through 43 above as if set forth in their entirety.

45. On March 6, 2020, Pennsylvania Governor Tom Wolf issued his first Proclamation of Disaster Emergency (See Exhibit "A").

46. Pursuant to 35 Pa.C.S. 7301 (c), the Governor's emergency powers under the Emergency Management Services Code only last for 90 days unless the disaster emergency is "renewed" by the Governor.

47. On April 13, 2020, the Supreme Court of Pennsylvania issued its opinion in the case *Friends of Devito v. Wolf*, 2020 Pa. LEXIS 1987, 227 A.3d 872 (2020). In *Devito*, the plaintiffs filed a Petition for King's Bench Jurisdiction asserting that the Governor lacked the authority to order the closure of "non-life-sustaining businesses." The Pennsylvania Supreme Court held that the Governor's Order was within his emergency powers since the closure was "temporary." As stated by the Court:

We consider the appropriateness of the due process afforded in light of the fact that the ***loss of Petitioner's property rights are temporary and find this significant***. The temporary deprivation impact effects each of the factors in the *Mathews* balancing test. While the private interest, the closure of the business, is important, the risk of erroneous temporary deprivation does not outweigh the value of additional or substitute safeguards which could not be provided within a realistic timeframe.

(emphasis added).

48. On June 3, 2020, the Governor extended the Disaster Proclamation for the first time. See Exhibit "B" hereto.

49. On August 24, 2020, Governor Wolf sent a letter to the Members of the Senate of Pennsylvania. In his letter, the Governor advised the Senate that:

In July, I extended that initial Order through August 31st. Unfortunately, given my authority under the Emergency

Services Management Code, an executive order further extending protections from foreclosure and eviction is not a viable option. Any further relief must be a product of the Legislature.

A true and correct copy of the Governor's August 24, 2020 letter to the Senate is attached hereto as Exhibit "J."

50. Despite his letter to the Senate, on August 31, 2020, Governor Wolf extended the Emergency Declaration for a second time. See Exhibit "C" hereto.

51. The Crack'd Egg believes that the second extension constituted an abuse of the Governor's emergency powers. In fact, the Governor's letter (Exhibit "J") is an admission that he lacked the power to issue a further extension.

52. In *County of Butler v. Wolf*, 2020 U.S. Dist. LEXIS 167544 (W.D. Pa. 2020), the Honorable William S. Stickman, IV held that the second extension constituted an abuse of power by the Governor. As stated by Judge Stickman:

It is true that under 35 Pa.C.S.A § 7301(c), the Governor's declaration of emergency, and related measures, will expire after ninety days. However, the Governor is able to *sua sponte* issue a continued emergency declaration. In *Wolf v. Scarnati*, __A.3d__, 2020 Pa. LEXIS 3603, 2020 WL 3567269 (Pa. Jul. 1, 2020), the Pennsylvania Supreme Court held that a vote of the legislature was powerless to vitiate the declaration, unless the governor signed off (as in normal legislation). See 2020 Pa. LEXIS 3603, ("because H.R. 836 was not presented to the Governor, and, in fact, affirmatively denied the Governor the opportunity to approve or veto that resolution, H.R. 836 did not conform with the General Assembly's statutory mandate in section 7301(c) or with the Pennsylvania Constitution.").

Thus, in practical effect, absent a veto-override, the Governor's orders can be reissued without limit. Professors Wiley & Vladeck recognized that this situation could lead to the situation of the permanent emergency: "[a]t least under federal law, emergencies, once declared, tend not to end; the President can unilaterally extend national emergency declarations on an annual basis in perpetuity, and can be stopped only by veto-proof supermajorities of both houses of Congress. And unless courts are going to rigorously review whether the factual justification for the emergency mea-

sure is still present[,] . . . the government can adopt measures that wouldn't be possible during "normal" times long after the true exigency passed." Wiley & Vladeck, *supra* page 16, at 187. On August 31, 2020, the Governor renewed the emergency declaration, extending his extraordinary authority for an additional ninety days. (ECF No. 73-1). Again, absent an extraordinary veto-proof vote of the General Assembly, there is no limit on the number of times the Governor may renew the declaration and vest himself with extraordinary unilateral powers.

53. In his Dissenting Opinion in the case of *Calvary Chapel Dayton Valley v. Sisolak*, 2020 U.S. LEXIS 3584 (July 24, 2020), the Honorable Justice Samuel Alito agreed with Judge Stickman as follows:

A public health emergency does not give Governors and other public officials *carte blanche* to disregard the Constitution for as long as the medical problem persists. As more medical and scientific evidence becomes available, and as States have time to craft policies in light of that evidence, courts should expect policies that more carefully account for constitutional rights.

54. These principles clearly apply in the present case.

COUNT 3:

**The Orders violate the
separation of powers doctrine:**

55. The Plaintiff hereby incorporates paragraphs 1 through 54 above as if set forth in their entirety.

56. As set forth above, both the Secretary of Health and the Governor failed to comply with the mandatory rule making procedure required under the Commonwealth Documents Law (45 P.S. 1102 *et seq.*), the Regulatory Review Act (71 P.S. 745.1 *et seq.*) and the Commonwealth Attorneys Act (71 P.S. 732-101 *et seq.*).

57. Accordingly, the Orders are nothing more than an attempt to control the citizens of the Commonwealth of Pennsylvania by executive fiat.

58. As such, the Orders violate the doctrine of separation of powers.

59. The law is clear that:

The doctrine of separation of powers is concerned with the allocation of official power among the three co-equal branches of our Government. The Framers "built into the tripartite Federal Government . . . a self-executing safeguard against the encroachment or aggrandizement of one branch at the expense of the other." *Buckley v. Valeo*, 424 U.S. at 122. Thus, for example, the Congress may not exercise the judicial power to revise final judgments, *Plaut v. Spendthrift [*700] Farm, Inc.*, 514 U.S. 211, 131 L. Ed. 2d 328, 115 S. Ct. 1447 (1995), or the executive power to manage an airport, see *Metropolitan Washington Airports Authority v. Citizens for Abatement of Aircraft Noise, Inc.*, 501 U.S. 252, 276, 115 L. Ed. 2d 236, 111 S. Ct. 2298 (1991) (holding that "if the power is executive, the Constitution does not permit an agent of Congress to exercise it"). See *J. W. Hampton, Jr., & Co. v. United States*, 276 U.S. 394, 406, 72 L. Ed. 624, 48 S. Ct. 348 (1928) (Congress may not "invest itself or its members with either executive power or judicial power"). Similarly, the President may not exercise the legislative power to authorize the seizure of private property for public use. *Youngstown*, 343 U.S. at 588. And, the judicial power to decide cases and controversies does not include the provision of purely advisory opinions to the Executive, or permit the federal courts to resolve nonjusticiable questions.

Clinton v. Jones, 520 U.S. 681, 699-700, 117 S. Ct. 1636, 1647, 137 L. Ed. 2d 945, 964 (1997).

60. The case of *Youngstown Sheet & Tube Co. v. Sawyer*, 343 U.S. 579, 72 S.Ct. 863, 96 L. Ed. 1153 (1952) is directly on point. In *Youngstown*, the Supreme Court of the United States held that the president, as part of the executive branch, lacked the power to enact legislative rules. As stated by the Court:

Nor can the seizure order be sustained because of the several constitutional provisions that grant executive power to the President. In the framework of our Constitution, the President's power to see that the laws are faithfully executed refutes the idea that he is to be a lawmaker. The Constitution limits his functions in the lawmaking process to the recommending of laws he thinks wise and the vetoing of laws he thinks bad. And the Constitution is neither silent nor equivocal about who shall make laws which the President is to execute. The first section of the first article says that "All legislative Powers herein granted shall be vested in a Congress of the United States" After granting many powers to the Congress, Article I goes on to provide that Congress may "make all Laws which shall be necessary and proper for carrying into Execution the foregoing Powers, and all other Powers vested by this Constitution in the Government of the United States, or in any Department or Officer thereof."

This same analysis clearly applies to state governments.

61. In *County of Butler v. Wolf*, 2020 U.S. Dist. LEXIS 167544 (W.D. Pa. 2020), the Honorable William S. Stickman, IV made the following observation that is relevant to the separation of powers issue:

There is no question that our founders abhorred the concept of one-person rule. They decried government by fiat. Absent a robust system of checks and balances, the guarantees of liberty set forth in the Constitution are just ink on parchment. There is no question that a global pandemic poses serious challenges for governments and for all Americans. But the response to a pandemic (or any emergency) cannot be permitted to undermine our system of constitutional liberties or the system of checks and balances protecting those liberties. Here, Defendants are statutorily permitted to act with little, if any, meaningful input from the legislature. For the judiciary to apply an overly deferential standard would remove the only meaningful check on the exercise of power.

62. In fact, the Pennsylvania Legislature has attempted to limit or terminate Governor Wolf's exercise of the emergency powers.

63. On June 9, 2020, the Pennsylvania Senate and the Pennsylvania House of Representatives adopted a concurrent resolution that ordered Governor Wolf to terminate the disaster emergency.

64. Governor Wolf vetoed the resolution, and on June 11, 2020, Joseph B. Scarnati, III, the President Pro Tempore of the Senate, filed a Complaint in Mandamus to enforce the resolution.

65. In response, Governor Wolf filed a Petition for King's Bench Jurisdiction to the Supreme Court of Pennsylvania.

66. In its Opinion, entered on July 1, 2020, the Supreme Court held that the Legislature could only override the Governor's veto by a two-thirds majority vote. See *Wolf v. Scarnati*, 2020 Pa. LEXIS 3603 (July 1, 2020). In response to Scarnati's argument that the governor's veto violated the separation of powers doctrine, the Majority declined to address the constitutional issue.

67. Justice Saylor, joined by Justice Mundy, authored a Dissenting Opinion based upon the separation of powers doctrine. As set forth in the Dissent:

I simply cannot envision that the framers of the Pennsylvania Constitution contemplated that the Governor could be invested with a panoply of exceptional powers - including the delegated power to suspend laws and commandeer private property - but that the Legislature nonetheless would be powerless to implement a counterbalance that was not then subject to the chief executive's own veto power.

COUNT 4:

The Plaintiff was

deprived of procedural due process:

68. The Plaintiff hereby incorporates paragraphs 1 through 67 above as if set forth in their entirety.

69. The ACHD suspended the Crack'd Egg's health permit without prior notice and the opportunity to be heard.

70. Notice and the opportunity to be heard are the touchstones of due process. See, *Armstrong v. Manzo*, 380 U.S. 545, 85 S. Ct. 1187, 14 L.Ed. 2d 62 (1965):

A fundamental requirement of due process is "the opportunity to be heard." *Grannis v. Ordean*, 234 U.S. 385, 394. It is an opportunity which must be granted at a meaningful time and in a meaningful manner.

See also, *Fuentes v. Shevin*, 407 U.S. 67, 80, 92 S. Ct. 1983, 1994, 32 L. Ed. 2d 556 (1971); *Boddie v. Connecticut*, 401 U.S. 371, 379, 91 S. Ct. 780, 786, 28 L. Ed. 2d 113 (1971).

71. The ACHD also violated the Crack'd Egg's right to due process by its failure to employ the Sheriff to serve the Complaint and Motion in the state court action as required by the Pennsylvania Rules of Civil Procedure.

72. Instead, the Complaint and Motion were improperly served by E-mail on Thursday afternoon (September 17, 2020) for an emergency hearing scheduled for Monday morning (September 21, 2020). In fact, the original E-mail

failed to identify the subject or contents, but instead, it simply indicated that “A package has been posted for you.” See Exhibit “H” hereto.

73. Not knowing what the “package” was, the owners of the Crack’d Egg were afraid to open it. The following day, Counsel for ACHD sent a second E-mail which identified the “package” as an Emergency Motion. See Exhibit “I” hereto.

74. The Crack’d Egg believes and therefore avers that the failure to effectuate proper service was calculated to allow the ACHD to obtain its requested relief in an *ex parte* manner without any opposition.

75. The law is clear that citizens are entitled to due process even in times of emergency or crisis. See, *Friends of Devito v. Wolf*, 2020 Pa. LEXIS 1987, 227 A.3d 872 (2020):

We cannot agree, however, with Respondents’ contention that Petitioners were not entitled to any procedural due process, either before or after the entry of the Executive Order. Respondents’ Brief at 35 (“Viewing the present public health emergency through a *Mathews* lens, it is apparent what balance is to be struck. — No additional safeguards are feasible, and the countervailing public interest is beyond debate.”). The Supreme Court has held that at all times, even when the country is at war, essential liberties remain in effect. *Bell v. Burson*, 402 U.S. 535, 542, 91 S. Ct. 1586, 29 L. Ed. 2d 90 (1971).

76. The ACHD’s violation of the Crack’d Egg’s rights to due process of law is clearly actionable under 42 U.S.C. 1983. See, *Lewis v. N.M. Dep’t of Health*, 261 F.3d 970 (10th Cir. 2001) and cases cited therein.

COUNT 5:

**The Plaintiff was deprived of substantive
due process: The Owners' right to earn a living**

77. The Plaintiff hereby incorporates paragraphs 1 through 76 above as if set forth in their entirety.

78. On July 16, 2020, Governor Wolf issued an Order "Directing Targeted Mitigation Measures." A true and correct copy of the Order is attached hereto as Exhibit "E."

79. Pursuant to the Targeted Mitigation Measures Order, among other things, restaurants were limited to the lesser of:

- A. 25% of fire code stated maximum occupancy for indoor dining; or
- B. 25 persons including staff.

80. As a result of the "Targeted Mitigation Measures," the Crack'd Egg suffered a severe loss of business and income.

81. According to The Pittsburgh Business Times, the Covid shutdown has caused more than 130 restaurants to go out of business permanently.

82. The owners of the Crack'd Egg depend upon the income from the Crack'd Egg to pay their living expenses. In fact, the income loss suffered as the result of the Targeted Mitigation Measures Order made it impossible for the Crack'd Egg to pay its bills.

83. The ACHD has now suspended the Crack'd Egg's health license and ordered it to shut down until a "plan that is satisfactory to the ACHD" is put into place.

84. As set forth above, the suspension order was imposed without due process of law and for reasons unrelated to the spread of Covid.

85. Accordingly, such order violates the Crack'd Egg's substantive due process rights.

86. In *County of Butler v. Wolf*, 2020 U.S. Dist. LEXIS 167544 (W.D. Pa. 2020), the Honorable William S. Stickman, IV held that:

A total shutdown of a business with no end-date and with the specter of additional, future shutdowns can cause critical damage to a business's ability to survive, to an employee's ability to support him/herself, and adds a government-induced cloud of uncertainty to the usual unpredictability of nature and life.

87. The same principle clearly applies in the present case.

COUNT 6:

The Plaintiff has been

deprived of equal protection under the law:

88. The Plaintiff hereby incorporates paragraphs 1 through 87 above as if set forth in their entirety.

89. The ACHD (and Governor Wolf) have strictly limited the Crack'd Egg's occupancy limits, while at the same time, they have condoned and participated in large gatherings, including public protests and political gatherings.

90. These actions clearly violate the Crack'd Egg's right to equal protection under the law.

91. In *County of Butler v. Wolf*, 2020 U.S. Dist. LEXIS 167544 (W.D. Pa. 2020), Judge Stickman made the following observations which are relevant to the equal protection issue:

While permitting commercial gatherings at a percentage of occupancy may not render the restrictions on other gatherings content-based, they do highlight the lack of narrow tailoring. See *Ramsek*, 2020 U.S. Dist. LEXIS 110668, ("retail stores, airports, churches and the like serve as an inconvenient example of how the Mass Gatherings Order fails at narrow tailoring."). Indeed, hundreds of people may congregate in stores, malls, large restaurants and other businesses based only on the occupancy limit of the building. Up to 20,000 people may attend the gathering in Carlisle (almost 100 times the approved outdoor limit!)—with Defendants' blessing.

Ostensibly, the occupancy restriction limits in Defendants' orders for those commercial purposes operate to the same end as the congregate gathering limits to combat the spread of COVID-19. However, they do so in a manner that is far less restrictive of the First Amendment right of assembly than the orders permit for activities that are more traditionally covered within the ambit of the Amendment—political, social, cultural, educational and other expressive gatherings.

COUNT 7:

The Plaintiff is entitled to

recover attorneys' fees pursuant to 42 U.S.C. 1988:

92. The Plaintiff hereby incorporates paragraphs 1 through 91 above as if set forth in their entirety.

93. 42 U.S.C. 1988 provides in relevant part that a plaintiff in a civil rights action may cover reasonable attorneys' fees as part of the costs.

94. The Crack'd Egg hereby requests recovery of its reasonable attorneys' fees pursuant to 42 U.S.C. 1988.

WHEREFORE, the Plaintiff respectfully requests this Honorable Court to enter judgment in favor of the Plaintiff and against the Defendants for the following relief: (1) a declaratory judgment finding that the "emergency orders"

are unconstitutional, and that the Defendants have violated the Plaintiff's civil rights by attempting to enforce such orders ; (2) an injunction to prevent further violations; (3) damages; (4) attorneys' fees pursuant to 42 U.S.C 1988; and (5) any other relief that is just and appropriate.

Respectfully Submitted,

PROCLAMATION OF DISASTER EMERGENCY

March 6, 2020

WHEREAS, a novel coronavirus (now known as "COVID-19") emerged in Wuhan, China, began infecting humans in December 2019, and has since spread to 89 countries, including the United States; and

WHEREAS, the World Health Organization and the Centers for Disease Control and Prevention ("CDC") have declared COVID-19 a "public health emergency of international concern," and the U.S. Department of Health and Human Services ("HHS") Secretary has declared that COVID-19 creates a public health emergency; and

WHEREAS, the Commonwealth of Pennsylvania ("Commonwealth") has been working in collaboration with the CDC, HHS, and local health agencies since December 2019 to monitor and plan for the containment and subsequent mitigation of COVID-19; and

WHEREAS, on February 1, 2020, the Commonwealth's Department of Health activated its Department Operations Center at the Pennsylvania Emergency Management Agency's headquarters to conduct public health and medical coordination for COVID-19 throughout the Commonwealth; and

WHEREAS, on March 4, 2020, the Director of the Pennsylvania Emergency Management Agency ordered the activation of its Commonwealth Response Coordination Center in support of the Department of Health's Department Operations Center, to maintain situational awareness and coordinate the response to any potential COVID-19 impacts across the Commonwealth; and

WHEREAS, as of March 6, 2020, there are 233 confirmed and/or presumed positive cases of COVID-19 in the United States, including 2 presumed positive cases in the Commonwealth; and

WHEREAS, while it is anticipated that a high percentage of those affected by COVID-19 will experience mild influenza-like symptoms, COVID-19 is a disease capable of causing severe symptoms or loss of life, particularly to older populations and those individuals with pre-existing conditions; and

WHEREAS, it is critical to prepare for and respond to suspected or confirmed cases in the Commonwealth and to implement measures to mitigate the spread of COVID-19; and

WHEREAS, with 2 presumed positive cases in the Commonwealth as of March 6, 2020, the possible increased threat from COVID-19 constitutes a threat of imminent disaster to the health of the citizens of the Commonwealth; and

WHEREAS, this threat of imminent disaster and emergency has the potential to cause significant adverse impacts upon the population throughout the Commonwealth; and

WHEREAS, this threat of imminent disaster and emergency has already caused schools to close, and will likely prompt additional local measures, including affected county and municipal governments to declare local disaster emergencies because of COVID-19; and

EXHIBIT A

WHEREAS, this threat of imminent disaster and emergency situation throughout the Commonwealth is of such magnitude and severity as to render essential the Commonwealth's supplementation of emergency resources and mutual aid to the county and municipal governments of this Commonwealth and to require the activation of all applicable state, county, and municipal emergency response plans.

NOW THEREFORE, pursuant to the provisions of Subsection 7301(c) of the Emergency Management Services Code, 35 Pa. C.S. § 7101, et seq., I do hereby proclaim the existence of a disaster emergency throughout the Commonwealth.

FURTHER, I hereby authorize the Pennsylvania Emergency Management Agency Director or his designee, to assume command and control of all statewide emergency operations and authorize and direct that all Commonwealth departments and agencies utilize all available resources and personnel as is deemed necessary to cope with this emergency situation.

FURTHER, I hereby transfer up to \$5,000,000 in unused appropriated funds to the Pennsylvania Emergency Management Agency for Emergency Management Assistance Compact expenses related to this emergency, to be decreased as conditions require, pursuant to the provisions of section 7604(a) of the Emergency Management Services Code, 35 Pa. C.S. § 7604(a). In addition, I hereby transfer up to \$20,000,000 in unused appropriated funds, to be decreased as conditions require, to the Pennsylvania Emergency Management Agency pursuant to section 1508 of the Act of April 9, 1929 (P.L.343, No. 176) (the Fiscal Code), 72 P.S. § 1508. The aforementioned funds shall be used for expenses authorized and incurred related to this emergency. These funds shall be credited to a special account established by the Office of the Budget. I hereby direct that any funds transferred herein that remain unused after all costs related to this emergency have been satisfied shall be returned to the General Fund.

FURTHER, All Commonwealth agencies purchasing supplies or services in response to this emergency are authorized to utilize emergency procurement procedures set forth in Section 516 of the Commonwealth Procurement Code, 62 Pa. C.S. § 516. This Proclamation shall serve as the written determination of the basis for the emergency under Section 516.

FURTHER, I hereby suspend the provisions of any regulatory statute prescribing the procedures for conduct of Commonwealth business, or the orders, rules or regulations of any Commonwealth agency, if strict compliance with the provisions of any statute, order, rule or regulation would in any way prevent, hinder, or delay necessary action in coping with this emergency. Commonwealth agencies may implement emergency assignments without regard to procedures required by other laws, except mandatory constitutional requirements, pertaining to performance of public work, entering into contracts, incurring of obligations, employment of temporary workers, rental of equipment, purchase of supplies and materials, and expenditures of public funds.

FURTHER, pursuant to the powers vested in me by the Constitution and laws of the Commonwealth pursuant to 51 Pa. C.S. § 508, I hereby authorize the Adjutant General of Pennsylvania to place on state active duty for the duration of the emergency disaster proclamation, such individuals and units of the Pennsylvania National Guard, for missions designated by the Pennsylvania Emergency Management Agency, as are needed to address the consequences of the aforementioned emergency.

FURTHER, I authorize the Commissioner of the Pennsylvania State Police to use all available resources and personnel in whatever manner he deems necessary during this emergency to assist the actions of the Pennsylvania Emergency Management Agency in addressing the consequences of the emergency.

FURTHER, I hereby authorize the Secretary of the Pennsylvania Department of Health, in her sole discretion, to suspend or waive any provision of law or regulation which the Pennsylvania Department of Health is authorized by law to administer or enforce, for such length of time as may be necessary to respond to this emergency.

FURTHER, I hereby authorize the Secretary of the Pennsylvania Department of Education, in his sole discretion, to suspend or waive any provision of law or regulation which the Pennsylvania Department of Education is authorized by law to administer or enforce, for such length of time as may be necessary to respond to this emergency.

FURTHER, if investigations made on my behalf determine that the Commonwealth needs greater flexibility in the application of state and federal motor carrier regulations to accommodate truck drivers involved in emergency activities during this emergency, I hereby direct the Commonwealth Department of Transportation to waive or suspend any laws or federal or state regulations related to the drivers of commercial vehicles.

FURTHER, I hereby direct that the applicable emergency response and recovery plans of the Commonwealth, counties, municipalities and other entities be activated as necessary and that actions taken to implement those plans be coordinated through the Pennsylvania Emergency Management Agency.

STILL FURTHER, I hereby urge the governing bodies and executive officers of all political subdivisions affected by this emergency to act as necessary to meet the current exigencies as legally authorized under this Proclamation, namely, by the employment of temporary workers, by the rental of equipment, and by entering into such contracts and agreements as may be required to meet the emergency, all without regard to those time consuming procedures and formalities normally prescribed by law, mandatory constitutional requirement excepted.

EXHIBIT C

Order of the Secretary of the Pennsylvania Department of Health Requiring Universal Face Coverings

COVID-19 is a contagious disease that is rapidly spreading from person to person. People infected are capable of exposing others to COVID-19 even if their symptoms are mild, such as a cough, or even if they are asymptomatic. Additionally, exposure is possible by touching a surface or object that has the virus on it and then touching one's mouth, nose, or eyes. Symptoms of COVID-19 may include fever, cough, shortness of breath, chills, repeated shaking with chills, muscle pain, headache, sore throat, and new loss of taste or smell. Early symptoms may also include chills, body aches, sore throat, headache, diarrhea, nausea or vomiting, and runny nose. Older adults and people who have serious chronic medical conditions are at a higher risk for serious illness.

The first cases of COVID-19 were reported in the United States in January 2020. Since then, multiple areas of the United States have experienced "community spread" of COVID-19, meaning that the illness is being transmitted through unknown contact, and not from contacts with known cases. On March 6, 2020, after the first cases of COVID-19 in the Commonwealth of Pennsylvania were confirmed, the Governor issued a Proclamation of Disaster Emergency. Since that date, the number of positive cases has continued to rise, and community spread has continued in the Commonwealth as well. Case counts rapidly increased throughout the Commonwealth in March and April, 2020. As of July 1, 2020, every county in the Commonwealth has been affected, the number of cases is 87,242, and 6,687 individuals have died from COVID-19.

In order to slow the spread and protect the people of the Commonwealth, the Governor and I issued Orders on March 19, 2020, closing all Commonwealth businesses that are not life sustaining. *See Order of the Governor of the Commonwealth of Pennsylvania Regarding the Closure of All Businesses That Are Not Life Sustaining*, as amended; *Order of the Secretary of the Pennsylvania Department of Health Regarding the Closure of All Businesses That Are Not Life Sustaining*, as amended. On April 1, 2020, the Governor and I issued Orders directing all individuals in Pennsylvania to stay at home. *See Order of the Governor of the Commonwealth of Pennsylvania for Individuals to Stay at Home*, as amended; *Order of the Secretary of the Pennsylvania Department of Health to Stay at Home*, as amended.

In addition, I issued an Order on April 15, 2020, requiring mitigation measures to be applied at businesses that are permitted to engage in in-person operations, including a requirement that all customers wear masks while on premises of businesses that serve the public within a building or a defined area and directs businesses to deny entry to individuals not wearing masks, unless the business is providing medication, medical supplies, or food, in which case the business must provide alternative methods of pick-up or delivery of such goods. Individuals who cannot wear a mask due to a medical condition (including children under the age of 2 years per CDC guidance) are permitted to enter the premises and are not

required to provide documentation of such medical condition. *See Order of the Secretary of the Pennsylvania Department of Health Directing Public Health Safety Measures for Businesses Permitted to Maintain In-person Operations.*

Those mitigation efforts slowed the spread of the disease, protected our hospitals from being overwhelmed, and enabled our hospitals to care for our ill residents. Accordingly, in Orders on May 7, 2020, the Governor and I suspended restrictions for certain areas instituted in the orders on March 19, 2020, as amended, and April 1, 2020, as amended. *See Order of the Governor of the Commonwealth of Pennsylvania for Limited Opening of Business, Lifting of Stay at Home Requirements, and Continued Aggressive Mitigation Efforts, as amended; Order of the Secretary of the Pennsylvania Department of Health for a Limited Opening of Businesses, Lifting of Stay Home Requirements and Continued Aggressive Mitigation Efforts, as amended.*

These mitigation strategies, practiced by all persons in the Commonwealth, have been successful in slowing the spread of the virus, and have allowed the phased and considered reopening of the Commonwealth, *see Order of the Governor of the Commonwealth of Pennsylvania for the Continued Reopening of the Commonwealth of May 27, 2020, as amended; Order of the Secretary for the Continued Reopening of the Commonwealth of May 27, 2020, as amended.* Person-to-person spread does continue however, and with the reopening, the Commonwealth is beginning to see increases in new cases. Mindful of the need to slow this increase, in order to avoid the types of stringent Commonwealth-wide mitigation strategies that were discontinued a short time ago, and in order to avoid the resurgence that is overwhelming the health care systems and public health systems in other states, I am ordering that all persons in the Commonwealth wear face coverings in accordance with this Order. Face coverings can decrease the spread of respiratory droplets from people. *See <https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/cloth-face-cover-guidance.html#recent-studies>.* When used in public settings, face coverings will work to reduce the spread of COVID-19 in the Commonwealth.

COVID-19 is a threat to the public's health, for which the Secretary of Health may order general control measures, including, but not limited to, closure, isolation, and quarantine. This authority is granted to the Secretary of Health pursuant to Pennsylvania law. *See* section 5 of the Disease Prevention and Control Law, 35 P.S. § 521.5; sections 2102(a) and 2106 of the Administrative Code of 1929, 71 P.S. §§ 532(a), and 536; and the Department of Health's regulations at 28 Pa. Code §§ 27.60-27.68 (relating to disease control measures; isolation; quarantine; movement of persons subject to isolation or quarantine; and release from isolation and quarantine). Particularly, the Department of Health has the authority to take any disease control measure appropriate to protect the public from the spread of infectious disease. *See* 35 P.S. § 521.5; 71 P.S. § 532(a), and 1403(a); 28 Pa. Code § 27.60.

Accordingly, on this date, July 1, 2020, to protect the public from the spread of COVID-19, I hereby order:

Section 1: Face Coverings Defined

“Face covering” means a covering of the nose and mouth that is secured to the head with ties, straps, or loops over the ears or is wrapped around the lower face. A “face covering” can be made of a variety of synthetic or natural fabrics, including cotton, silk, or linen. For purposes of this order, a face covering includes a plastic face shield that covers the nose and mouth. “Face coverings” may be factory-made, sewn by hand, or be improvised from household items, including but not limited to, scarfs, bandanas, t-shirts, sweatshirts, or towels. While procedural and surgical masks intended for healthcare providers and first responders meet these requirements, such as N95 respirators, these specialized masks should be reserved for appropriate occupational and health care settings.

Section 2: Face Coverings Required

Except as provided in Section 3, individuals are required to wear face coverings if they are:

- A. outdoors and unable to consistently maintain a distance of six feet from individuals who are not members of their household;
- B. in any indoor location where members of the public are generally permitted;
- C. waiting for, riding on, driving, or operating public transportation or paratransit or while in a taxi, private car service or ride-sharing vehicle;
- D. obtaining services from the healthcare sector in settings including, but not limited to, a hospital, pharmacy, medical clinic, laboratory, physician or dental office, veterinary clinic, or blood bank; or
- E. engaged in work, whether at the workplace or performing work off-site, when interacting in-person with any member of the public, working in any space visited by members of the public, working in any space where food is prepared or packaged for sale or distribution to others, working in or walking through common areas, or in any room or enclosed area where other people, except for members of the person’s own household or residence, are present when unable to physically distance.

Section 3: Exceptions to Face Covering Requirement

- A. The following are exceptions to the face covering requirement in Section 2:
 - i. Individuals who cannot wear a mask due to a medical condition, including those with respiratory issues that impede breathing, mental health condition, or disability;

- ii. Individuals for whom wearing a mask while working would create an unsafe condition in which to operate equipment or execute a task as determined by local, state, or federal regulators or workplace safety guidelines;
 - iii. Individuals who would be unable to remove a mask without assistance;
 - iv. Individuals who are under two years of age;
 - v. Individuals who are communicating or seeking to communicate with someone who is hearing-impaired or has another disability, where the ability to see the mouth is essential for communication;
- B. Individuals are not required to show documentation that an exception applies.

Section 4: Prior Orders

This Order is intended to be read in concert with my Order Relating to Public Health Safety Measures for Businesses Permitted to Maintain In-person Operations, dated April 15, 2020, and with the Governor's and my Orders for the Continued Reopening of the Commonwealth, dated May 27, 2020.

Section 5: Effective Date

This Order is effective immediately and will remain in effect until further notice.

Rachel Levine, MD
Secretary of Health

COMMONWEALTH OF PENNSYLVANIA
OFFICE OF THE GOVERNOR

**ORDER OF
THE GOVERNOR OF THE COMMONWEALTH OF PENNSYLVANIA
DIRECTING TARGETED MITIGATION MEASURES**

WHEREAS, the World Health Organization and the Centers for Disease Control and Prevention declared the coronavirus disease 2019 ("COVID-19") a pandemic; and

WHEREAS, the COVID-19 pandemic has created a national emergency in the United States of America; and

WHEREAS, pursuant to section 7301(a) of the Emergency Management Services Code, 35 Pa. C.S. § 7301(a), I am charged with the responsibility to address dangers facing the Commonwealth of Pennsylvania ("Commonwealth") that result from disasters; and

WHEREAS, on March 6, 2020, pursuant to section 7301(c) of the Emergency Management Services Code, 35 Pa. C.S. § 7301(c), I proclaimed the existence of a disaster emergency throughout the Commonwealth as a result of COVID-19, and further extended the disaster emergency by Amendment on June 3, 2020; and

WHEREAS, in executing the extraordinary responsibility outlined above, I am authorized during a disaster emergency to issue, amend and rescind executive orders, proclamations and regulations and those directives shall have the force and effect of law pursuant to 35 Pa. C.S. § 7301(b); and

WHEREAS, in addition to the authorities to which I am granted by law, my Secretary of Health has the authority to determine and employ the most efficient and practical means for the prevention and suppression of disease pursuant to 71 P.S. § 532(a) and 71 P.S. § 1403(a); and

WHEREAS, these means include isolation, quarantine, and any other control measure needed pursuant to 35 P.S. § 521.5; and

WHEREAS, I previously issued an Order closing all businesses that are not life sustaining in the Commonwealth; see Order of March 19, 2020, as amended; and

WHEREAS, I previously issued an Order directing all individuals in Pennsylvania to stay at home; see Order of April 1, 2020, as amended; and

WHEREAS, while the Commonwealth's mitigation efforts to date have helped curtail the spread of COVID-19 without overwhelming medical resources, the number of positive cases continues to rise; and

WHEREAS, as of July 15, 2020, the Commonwealth has 97,665 positive cases of COVID-19 in all sixty-seven counties and 6,957 deaths from COVID-19; and

WHEREAS, the Pennsylvania Department of Health has seen new increases in cases due to community spread; and

WHEREAS; my Secretary of Health issued an Order on July 1, 2020, requiring universal face coverings to be worn by all persons in the Commonwealth; and

WHEREAS, despite the Secretary of Health's July 1, 2020 Order, there remains an urgent need to further efforts to slow this new increase in cases to avoid the more-stringent mitigation strategies pursuant to previous Orders recently discontinued; and

EXHIBIT E

WHEREAS, in addition to my general powers, during a disaster emergency I am authorized specifically to:

COMMONWEALTH OF PENNSYLVANIA
OFFICE OF THE GOVERNOR

August 24, 2020

Dear Members of the Senate of Pennsylvania:

As you may be aware, on May 7, 2020 I issued an Executive Order suspending notice provisions under the Landlord and Tenant Act of 1951 and the Manufactured Home Community Rights Act, effectively suspending evictions and foreclosures across the commonwealth in order to protect Pennsylvania renters and property owners affected by the COVID-19 pandemic. In July, I extended that initial Order through August 31st. Unfortunately, given my authority under the Emergency Services Management Code, an executive order further extending protections from foreclosure and eviction is not a viable option. Any further relief must be a product of the Legislature.

In addition, I wish to make you aware of a number of serious defects in Act 24 of 2020 that are preventing funding allocated by the General Assembly for assistance to renters and mortgage holders from achieving their intended purpose. In order to prevent serious negative consequences for Pennsylvania renters and homeowners, I urge the General Assembly to take action as soon as possible to both extend the moratorium and fix Act 24.

My May 7th Executive Order was issued pursuant to authority under the Emergency Services Code, 35 Pa. C.S. § 7302(a), which allows me to temporarily suspend or modify the requirements of statutes or regulations necessary to provide temporary housing for disaster victims. Pursuant to this authority, I suspended certain preconditions for foreclosure and eviction actions under the Loan Interest Protection Law, 41 P.S. § 101, et seq., the Homeowners Emergency Assistance Act, 35 P.S. § 1680.41, et seq., the Landlord and Tenant Act of 1951, 68 P.S. § 250.101, et seq., and the Manufactured Home Community Rights Act, 68 P.S. § 398.1 et seq. Unfortunately, the statutory language of Section 7302(a) contains a narrow limitation on the amount of time that suspensions may be exercised related to temporary housing, preventing me from further extending the moratorium beyond the end of this month.

The expiration of the moratorium would be less significant if the programs established to assist renters and homeowners in Act 24 were functioning as intended to provide payment assistance. Unfortunately, there are a number of provisions of the legislation that are creating significant administrative and programmatic challenges for the Pennsylvania Housing Finance Authority (PHFA), which is charged with administering the programs. In particular, the \$750 cap on assistance has proven too low for landlords to go through the process necessary to participate in the program. I have attached a letter from PHFA's Executive Director Robin Wiessmann further outlining the issues her agency believes must be addressed in order for the program to be successful.

The General Assembly must act to fix these problems immediately to provide meaningful assistance to this vital sector of the economy and prevent the displacement of Pennsylvanians as we continue to fight the COVID-19 virus. The Legislature should raise the \$750 a month payment to at least 130% of HUD limits which would actually assist landlords in higher cost areas, lead to greater participation in the program and increase the number of tenants assisted. In addition, the program should allow participants

EXHIBIT J

that need assistance to get rental assistance without being in arrears. Pennsylvanians should not have to forego food or medicine in order to remain current on rent and to be eligible for relief. Finally, landlords and tenants should be permitted to enter into repayment agreements for amounts not paid.

Without these urgently needed changes, payment assistance is not reaching residents who badly need it and these funds will ultimately be returned to the federal government at the end of the year. Upon the expiration of the moratorium at the end of the month, notices of eviction and foreclosure will again be able to be sent. This begins a process that takes time, but that ultimately concludes with our fellow Pennsylvanians being removed from their homes. I understand that members of the General Assembly have been working with affordable housing advocates and representatives of landlords on issues including forbearance flexibility, and I certainly hope that work continues. In the interim, I urge the General Assembly to act immediately to prevent evictions and foreclosures by passing legislation to temporarily extend the existing moratorium and fix the PHFA rent and mortgage programs so they can provide the assistance desperately needed to keep Pennsylvanians in their homes during this unprecedented time.

Thank you for your consideration.

Sincerely,

TOM WOLF
